Response to Office Action

Sir:

This is in response to the Office Action mailed 02/07/2006 in regard to the above-identified patent application. Enclosed is a check for \$1,020.00 for the petition fee for a three month extension of time. Please charge deposit account 50-1924 for any fee deficiency.

Claims 1-24 and 34 have been allowed. Claims 25-32 were rejected under 35 U.S.C. §103(a) as being unpatentable over McEachern et al. (US 5,536,979). The examiner is requested to reconsider this rejection.

Claim 25 claims a battery charger with an induction loop section having a hole adapted to receive an induction core of a device to be charged. A center path of the induction coil is located at the hole of the induction loop section. The induction loop section is adapted to be removably placed on the induction core and surround a portion of the induction
